INFLUENCE OF MIND OVER MAT-TER.

Since the board of health in Greater New York issued a pronunciamento to the barbers, commanding that all towels and shaving mugs be rendered hy gienically perfect, the residents of New as to the local conditions in St. Louis, York have been suffering from bacteria fright in an aggravated form. The greatest misery has resulted to the people of the metropolis because of this order from the board of health; sil the pangs of a sure enough attack by microbe germs and parasites, have been suffered by thousands. But for this innocent action by the health board the people of Gotham would have been spared the agony of this combined attack, yet the microbes would have got in their deadly work just the same, even if no one discovered the alarming fact.-MADAME for August.
